## Together as One - Our Service Model

Our service model, including our ONE Point of Contact approach, ensures a successful implementation and the oversight and direction of ongoing support across the world.

### **ONE Team**

Engage one team for all of your set-up, accounting and tax compliance and legal advisory needs. Within one country, one region or across the world.

### **ONE Set of High Service Standards**

Count on team members who understand the importance of responsiveness, clear communication, transparency and technical excellence... as set out in our Service Promise Agreement.

### **ONE Source of Expertise**

Access a fully comprehensive, à la carte range of compliance and advisory services from 'under one roof' via our global alliance.

### **ONE Point of Contact**

Work with one Lead Engagement Partner (the 'Hub') who coordinates with Local Engagement Leads (the 'Spokes') in each jurisdiction. Advice is joined up, reporting is consolidated, and clients only need to explain anything once.

## What our Clients Say

**We needed a partner to support us in different jurisdictions when our start-up company experienced excessive growth. We have since received extremely valuable and thorough advice including about company formation, revenue agreements and taxation and we look forward to continuing our collaboration with AGA as we expand our operations globally.**
